

Tony Demaria Electric, Inc.: Our in-house training substation assures that all classes include hands-on training.

Tony Demaria Electric, Inc. (TDE) takes the lead in electrical industry improvements on safety and testing technology and adapts policies and procedures accordingly. TDE is one of the first electrical contractors adopting the use of Arc-Flash Personal Protection and Remote Racking and Switching. TDE is a NETA Accredited Company and participates actively in the NETA organization. TDE employees have published a number of safety and technical articles in *NETA World Journal* and other publications.

Training Courses Eligible To Earn NETA Continuing Technical Development Credits (CTDCs)

- AC Synchronous Motors – 9 CTDCs
- Batteries and DC Circuits – 10 CTDCs
- Electrical Print Reading – 18 CTDCs
- Electrical Troubleshooting – 18 CTDCs
- Lockout / Tagout (LOTO) – 8 CTDCs
- Low Voltage, Air, Power Circuit Breakers Preventative Maintenance – 8 CTDCs
- Medium Voltage, Air, Circuit Breakers Preventative Maintenance – 36 CTDCs
- Motor Bearings and Lubrication – 9 CTDCs
- Motor Control Centers and Switchgear – 18 CTDCs
- Transformers Basics – 10 CTDCs
- Transformers, Liquid Filled and Dry Type Preventative Maintenance – 36 CTDCs

Safety and Technical Training Courses

- AC Control Equipment
- AC Induction Motors, Basic
- Arc Flash Hazard Reduction Techniques
- Battery Safety and Maintenance
- Cable Terminating, Splicing, Grounding, and Bonding
- Electrical Inspection, Basic
- Electrical Print Reading
- Electrical Safety for Non-Qualified Workers
- Electrical Safety for Supervisors
- Electrical Skills, Basic
- Electrical Troubleshooting
- Grounding Systems
- Low Voltage Circuit Breaker Fundamentals
- Motor Bearings and Lubrication
- Motor Control Centers (MCC's)
- NFPA 70E, 1-day
- NFPA 70E, 2-day
- NFPA 70E Refresher
- Synchronous Machines
- Test Meters and Test Equipment
- Transformers and AC Circuits

Custom Training Courses

TDE offers customized training courses that will meet your very specific needs. We will work with you to tailor a course based on your precise requirements to assure you are completely satisfied!

Prices and duration of courses varies.
Please call 310.816.3130 or fill out form at <http://www.tdeinc.com/contact-us/request-bid-or-information/> for more information.
